Inventory

Top Stone, Inc. creates rolling sphere fountains, globe fountains, and stone water features for indoor and outdoor fountain areas.

Rolling sphere fountains can be custom designed from your plans or you can choose from a variety of existing designs.

Top Stone creates other stone and marble fountains, marble statues, fireplaces, gazebos, water fountains and fine marble art.

About Us

Terms/Conditions

1

Tob branding and main navigation
Both the «Contact Us» and «Inventory» will take user to that page.

2

Main Value Proposition Both in text paragraph and with a photo of one of the fountains.

3

Footer navigation - Both links will take user to respective pages when clicked

As a general note:

Due to nature and demographic of this sites targeted audience (40-60 year old); we will keep the mobile version streamlined, and uncluttered. The active buttons will be spaced farther apart than normally for ease of use.
