Rolling Sphere Fountains can be custom designed from your plans or you can choose from a variety of existing designs.

3

The ultimate Rolling Sphere water features fountains and marble art for residential and commercial applications.

Sphere fountains for peaceful enjoyment and relaxing Feng Shui applications. Large outdoor floating sphere or marble fountains to enhance your office building entryway or atrium are available in either one of a kind natural stone base stone installed in a custom made water basin or a self-contained model with dozens of models to choose from.
